

# DataHand

## DataHand<sup>®</sup> Bluetooth Thermometer

Order Code: 271-100

- interchangeable thermocouple probes
- infrared temperature sensing
- Qi recharging
- water resistant to IP65
- traceable calibration certificate
- meets European Standard EN 13485

	Thermocouple type K	Infrared
range:	-200 to +1372 <sup>°</sup> C	-40 to +85 <sup>°</sup> C
accuracy:	+/-0.5 <sup>°</sup> C [from -40 to +100 <sup>°</sup> C] +/-2 <sup>°</sup> C [rest of range]	+/-0.5 <sup>°</sup> C [from 0 to +50 <sup>°</sup> C] +/-2 <sup>°</sup> C [rest of range]
resolution:	+/-0.1 <sup>°</sup> C or F	+/-0.1 <sup>°</sup> C or F

battery:	3.7V 1100mAHr Lithium Ion rechargeable
recharge time:	2 hrs once / month under typical use
dimensions:	25 x 50 x 170 mm
weight:	100 grams
case material	ABS plastic with Biomaster anti-bacterial additive
water/dust resistance:	IP65
measurement scale:	Celsius/Fahrenheit
connects to OS:	Android, Windows, Linux, IOS
conforms to standard:	EN 13485
